# SAFE & SUPPORTIVE SCHOOL SURVEY

2021-2022

Dear Superintendent,

As a resident of your district, I am writing to urge you to respond to **Equality California Institute's Safe and Supportive Schools Survey**, which will be sent to you on November 1.

The survey collects critical information on school environments for LGBTQ+ and all young people. This information is important to collect, as it enables us to identify strengths and areas of growth and direct resources to better support LGBTQ+ young people, who routinely experience higher rates of bullying and often experience poor educational and life outcomes as a result.

Sincerely,
